Stage Street Music Lessons - Experience the difference!

We teach: guitar, bass, drums, keyboards, vocals, sax, trumpet, clarinet, and flute. We also teach video editing, DJ mixing, and audio recording.

Taught by experienced professional musicians, the emphasis is on learning solid music fundamentals while simultaneously focusing on the music that keeps a student motivated and interested.

This is achieved by directly incorporating the songs and styles they enjoy and relate to, with theory and technique.

Not only does the student have fun and get to learn the songs they like, but they are also building a strong musical foundation at the same time.

Our instructors have excellent professional and educational backgrounds. They are a hip, knowledgeable staff with an extreme passion for teaching.

Cost of lessons is \$120 per four weeks.
Rental instruments are available.

Band Instruments

We offer private lessons on all Band instruments including Saxophones, Trumpet, Trombone, Clarinet, Flute, and drums.

Level 1:

The student is introduced to the fundamentals of their respective musical instruments. Special attention is given to Instrument care, tone production, Basic pitch and rhythm recognition as well as learning to read and play basic music.

Level 2:

The student is introduced to more advanced notes, rhythms and music. Emphasis is placed on beginning to build a musical repertoire.

Level 3:

Individually structured lessons to help the student develop their individual strengths and interests. Special emphasis is put on helping the student prepare for local and state music competitions and festivals.
